

Solicitation Policy

Saint Peter's University students are not permitted to canvas or solicit for funds, sales, services or subscriptions on campus or in University buildings unless written permission has been granted by a professional staff member at the University. Additionally, external groups are not allowed to sell items or solicit members of the University community on campus without prior approval from a professional staff member at the University. Posters, flyers and other event advertisements pertaining to sales and solicitation for funds, sales or subscriptions must be approved by a professional staff member at the University prior to posting or distribution. The sale of merchandise, or publications or service on University property, other than by contracted vendors, authorized stores, restaurants, departments or divisions of the University, is likewise prohibited except upon permission of a professional staff member at the University. This includes running a personal business out of any university facility. Failure to comply with this policy may result in student conduct action that is reflective of the severity of the policy violation.
