Commencement Awards

Awards are presented each year to graduating seniors who have distinguished themselves in various disciplines. These awards are presented at the Commencement exercises and are noted in the Commencement program.

In addition to discipline-specific awards, awards are given to students based on the division in which their discipline resides and according to the school from which the student is graduating. The University also recognizes a Valedictorian each year as the undergraduate CAS, SBA, SON or SOE student with the highest GPA for courses taken at the University exclusive of Pass/Fail, Prior Learning credits, CLEP credits, or other courses not formally taken at the University for grades. When deciding among students of roughly comparable academic performance, preference may be given to the student who has taken the most credits at the University.

Honors for Scholarship Achievement

Deans' List

In recognition of academic excellence, selected students are named to the Dean's List. The Dean's List is named at the end of each fall and spring term. Fully-admitted degree-seeking students are eligible for consideration if they have earned a GPA of at least 3.500 for the term. To qualify, traditional day students must complete 12 semester credits and SPS students must complete 6 credits in an eight-week term (exclusive of Pass/Fail and developmental courses). Students who receive a grade less than C or a grade of FA will not be eligible for that term. Students with any incomplete or in-progress grades are not eligible until all courses are completed. A notation will be made on

the student's academic transcript each time the Dean's List honor is achieved. Students can view their academic transcript on Student Planning.

Michaelmas Awards

Each year Saint Peter's University recognizes the academic achievements of students at the Michaelmas Convocation. The honorees at Michaelmas include students who have been named to the Dean's List, those who have been awarded Excellence Medals, and seniors whose academic rank in class qualifies them for admission to the Most Noble Order of the Peacock (MNOP). In identifying award recipients for the annual Michaelmas Convocation (Deans' List, Excellence Medals, MNOP Award), credits earned and grade point averages will be based only on data received in the Registrar's Office by the July 1 immediately preceding the Convocation. The Academic Year refers to the fall and spring Semesters in the traditional day student program and the fall and spring eight-week term within a semester in SPS. Credits must be earned at Saint Peter's University or in Saint Peter's University sponsored programs. Pass/Fail and developmental courses may not be included in calculating eligibility for the Dean's List.

Excellence Medals

Gold Medals for first honors and Silver Medals for second honors are awarded to the students who have the highest and the second highest academic average for the past academic year. In determining these awards, students are divided according to year, i.e., Senior, Junior, Sophomore, Freshman. They are also divided according to school (College of Arts and Sciences, School of Business, School of Education, School of Nursing, and School of Professional Studies). Eligibility requirements for these medals include earning a minimum of 24 credits during the previous academic year for a traditional day student, or 18 credits for a SPS student. To be eligible to receive a Senior, Junior, Sophomore or Freshman award, a student, full-time or part-time, must have earned by the end of that year the following total number of credits at Saint Peter's University or in Saint Peter's University sponsored programs:

Award	Credits
Senior award	120 credits (110 SPU credits)
Junior award	90 credits (80 SPU credits)
Sophomore award	60 credits (50 SPU credits)
Freshman award	30 credits (20 SPU credits)

Most Noble Order of the Peacock

The 10 seniors, excluding those from SPS, who have the highest academic averages are admitted to the Most Noble Order of the Peacock, the University's oldest scholarship organization. To qualify as an eligible senior, a student must have earned a total of 90 credits towards graduation by the preceding July 1. At least 80 of these credits must have been completed at Saint Peter's University, or in Saint Peter's University sponsored programs, exclusive of Pass/Fail courses.
